

Wireless module kit IDS WLM KIT

Wireless measurement of pH/Redox, conductivity, dissolved oxygen and turbidity.

- Bluetooth[®] LE
- Universal plug head
- Opening for electrolyte solution refilling (only pH electrodes with liquid electrolyte)
- Signal LED (RGB)
- Range 10 m

Suitable for IDS portable meters MultiLine[®]: Multi 3630 IDS/3620
IDS/3510 IDS, as well as for IDS laboratory meters inoLab[®]: Multi 9630
IDS/9620 IDS/9310 IDS.

Scope of supply: Wireless module for plug-in head sensor (IDS WLM-S), wireless module for IDS device (IDS WLM-M), USB charger for wireless modules (WLM-Charger), universal USB power supply unit (NT USB Universal)

Type	PK	Cat. No.
IDS WLM KIT	1	6.283 612

Zubehör:

- Wireless module IDS WLM-S / Xylem Analytics Germany (WTW)
- Wireless module IDS WLM-M for WTW[®] measuring instruments / Xylem Analytics Germany (WTW)
- USB charger for wireless module IDS WLM-S / Xylem Analytics Germany (WTW)
- USB power supply unit for USB charger WLM-Charger / Xylem Analytics Germany (WTW)
